Total to July 19-20 to 21-22	£	49,970	£ 12,977 TBC
Balance of funding July 21-22	£	36,993 TBC	
Outline Strategy			
<p>All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation and is central to meeting the government's ambitions for a world-class education system.</p> <p>Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.</p> <p>The PE and sport premium can help primary schools to make additional and sustainable improvements to the quality of the PE, physical activity and sport offered through their core budgets. It is allocated directly to schools, so they have the flexibility to use it in the way that works best for their pupils.</p> <p>The premium for the years 19-20 to 21-22 must be spent in full by the end of the 2021 to 2022 academic year. In 20-21 and 21-22 underspends in prior years were allowed to be carried forward due to COVID</p> <p>Schools must use the funding to make additional and sustainable improvements to the provision of PE, physical activity, and sport for the benefit of all primary-aged pupils to encourage the development of healthy, active lifestyles. The following funding is <u>not eligible</u> for Sports Premium:</p> <ul style="list-style-type: none"> • employing coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of schools' core staffing budgets • teaching the minimum requirements of your existing PE curriculum • funding capital expenditure 			

PE & Sports Development Funding activity	Allocated Funding	New or continued activity (Cost centre)	Specific intervention/activity (Include details of year groups/pupils, timescales involved and who is responsible)	Specific intended Outcomes (How will Sports Premium intervention/action improve attainment?)	Monitoring & Evaluation (Success Criteria/Evidence)	Actual impact/spend "As a result of this action..." (If this action is to be repeated, identify the improvements to be made next time)
