

Hallmoor Key Stage 4 ICT/Computing Long Term Plan

Entry Level EDEXCEL Functional Skills in ICT

Functional Skills Information and Communication Technology (ICT) qualifications are designed to give learners the skills to operate confidently, effectively and independently in education, work and everyday life. They have been created in response to employers' perceptions that many learners are not achieving a sufficiently firm grounding in the basics.

The aims of these qualifications are to develop learner understanding and skills in: Using ICT, Finding and selecting information, and Developing, presenting and communication information.
