

**Hallmoor Key Stage 4  
Maths  
Long Term Plan**

At KS4 in Maths pupils will complete eight components of work made up of between four and eight external assignments, over a two-year period. Any remaining components should be made up of internally set classwork. All components are internally assessed (teacher marked) and then moderated by AQA. Each component is marked out of 30, giving a total mark out of 240 for the whole portfolio.

AQA will set assignments for each of the eight components, with each assignment covering Entry 1, 2 and 3. Pre-Entry Outcomes will be acknowledged through the AQA Unit Award Scheme.
