

## Hallmoor Key Stage 4 Creative Media Long Term Plan

In Key stage 4 at Hallmoor School, our pupils will gain recognition of their achievements through partaking in the AQA Unit Award Scheme (UAS).

Pupils will be given the opportunity to build their experience, skills using media tools and equipment and they will be presented with a certificate on completion of an internally set Unit of work. The units of work have been selected so the work they are doing is based upon Level 1 or Level 2 BTEC course in Creative Media, the work and assessment is more accessible for our learners.

Learners will explore different forms of media, and experience different forms of media that are appropriate to each area of study including preparing them with valuable life skills including, forming an opinion, following a method or process and making decisions

The Media AQA Unit Award scheme will enable learners to:

- engage in learning which is relevant to them and will provide opportunities to develop a range of skills and techniques, personal skills and attributes essential for successful performance in working life
- prepare for employment in a particular vocational sector
- progress to related general and/or vocational qualifications.

### KS4 Subject Content

#### **Aims:**

- actively engage with different forms of media
- develop their creative and imaginative capabilities through their own design ideas and different forms of media.
- develop confidence in taking risks and learning from their experiences through experimenting with different forms of media and editing software where appropriate.
- develop knowledge and understanding of uses of media
- develop an awareness of the different techniques used within many different forms of media
- demonstrate safe working practices when using media equipment
