PARENT MAKATON WORKSHOP

On Monday 11th December, we delivered a Makaton workshop for parents, where they were able to learn and practise some of the sign language that we use in school to support our children's communication.

We focused on everyday signs that are needed throughout the day, as well as signs that would help at home.

Every parent who attended received a booklet to take home that had all the signs you have learnt so that you can remind yourselves of them at a later date.

Thank you to all those that came.

CAREERS EVENT

Hallmoor Careers Event was held for our students and their families to find out about Post-16/19 provision. This was a great opportunity to meet a variety of organisations to discuss your child's future pathways.

The event was attended by 12 delegates, including:

- Heart of Birmingham Vocational College
- Queen Alexandra College
- And South and City College

Our 3 main post 16-19 destinations of choice.

We had a fantastic turn out, thank you to all those who attended.

WINTER FAYRE

This month our Parents and carers were invited to visit our Winter fayre with their children.

It was a wonderful festive event in which we got to share a variety of food, partake in Christmas crafts, enterprise and game stalls ranging from 50p up to £10.

There was also face painting, gel nail painting, mehndi, and a fantastic tombola.

It was lovely to see our children having a fun time. Thank you to our amazing children and staff team for running our Winter Fayre!

We would like to wish everyone within our school community a very Merry Christmas and a Happy New Year!

We feel extremely lucky to have such a wonderful and inspiring staff team working with our children and their families - Thank you for all their hard work and we look forward to working with our communities in 2024!
