HALLMOOR  
SCHOOL

Dear Parents and Carers,

Following the Met Office Amber weather warning for heavy snow across the West Midlands overnight and into Friday morning, we have made the early decision to close Hallmoor Special School on **Friday 9th January 2026**. We do not take this decision lightly, but the decision is in the interests of safety for all students, families, and staff, as travel disruption and hazardous conditions are expected during the morning period. We have made the decision this evening to give families time as much notice as possible.

### Remote learning

Staff will post learning activities on Class Dojos by 9.30am tomorrow and will be available to support you, respond to any questions or queries during the day.

We apologise for any inconvenience this may cause and thank you for your understanding.

We expect the school to be open on Monday as normal but will update you if this changes via the normal methods.

Please keep safe and, if possible, enjoy the snow with your young people.
