

# HALLMOOR SCHOOL NEWSLETTER

SPRING 1, 2026

Welcome to our latest edition of the Hallmoor School Newsletter.  
We look forward to sharing some of the many wonderful things that happen everyday in our amazing school. Enjoy!

## IN THE NEWS THIS MONTH...

- Farm Trip
- Rebound Therapy & PE
- Trinity College Visit
- Aston Villa Trip
- Cricket Club
- Crown Jewels
- Coastal Erosion
- Animal Man

## FARM TRIP

One of our primary classes recently enjoyed a wonderful trip to Ash End Farm. The children had lots of fun identifying the animals and feeding them, as well as grooming the ponies. We also went on an exciting (and slightly bumpy!) tractor ride. We look forward to using our new knowledge about farms in our sensory tray activities.

## REBOUND THERAPY JOINS OUR PE CURRICULUM

We are delighted to share that Rebound Therapy has now been introduced as part of our PE curriculum, and it has been a huge success with pupils. Using the trampoline, pupils are developing strength, balance, coordination and confidence in a fun and supportive way.

The sessions have been thoroughly enjoyed by everyone involved, with pupils showing great enthusiasm and engagement. For many, the trampoline provides a motivating and enjoyable way to be active while also supporting physical development and wellbeing.

It has been wonderful to see so many smiles, laughter and positive attitudes during these sessions — the pupils absolutely love the trampoline! We are excited to continue developing Rebound Therapy as part of our PE offer.

## TRINITY COLLEGE VISIT

Students from 6MC enjoyed visiting Trinity College and had some very interesting conversations with staff. They were able to experience a different educational environment and gain a valuable insight into the opportunities available to them after leaving Hallmoor School.

## CLASS 7 SHINE ON THEIR VISIT TO ASTON VILLA

Class 7 had an exciting and memorable visit to Aston Villa, where they proudly represented the school and showed fantastic teamwork throughout the day. The pupils played brilliantly, supporting one another and working together as a true team.

It was wonderful to see such positive attitudes, determination and sportsmanship on display. Every pupil gave their best effort, encouraged their teammates and demonstrated the values we promote in school both on and off the pitch.

The visit was not only a great sporting experience but also a chance for pupils to build confidence, resilience and team spirit. Class 7 should be extremely proud of how well they played and how they conducted themselves throughout the visit.

Well done, Class 7 – a brilliant performance all round!

## WARWICKSHIRE CRICKET CLUB

3HM have been enjoying Monday afternoon PE sessions with Jay from Warwickshire Cricket Club. He has been teaching the class a range of cricket skills, and pupils have also taken part in friendly matches against one another. The class have absolutely loved these sessions.

## CROWN JEWELS

KS3 enjoyed a fantastic WOW Day based on their new book Gangsta Granny. Students had lots of fun creating Crown Jewels for an exhibition, as well as searching for clues to solve the mystery of who had stolen them. They also designed posters to help track down the missing jewels.

## CLASS 3CE EXPLORE COASTAL EROSION

Class 3CE explored coastal erosion as part of their learning, investigating what happens when water hits different surfaces.

The children used foam to model the effects of waves on the coastline, leading to lots of excitement, curiosity and hands-on learning. Pupils observed, discussed and experimented together, all while having great fun discovering just how powerful water can be.

## ANIMAL MAN BRINGS THE WILD TO OUR SCHOOL!

We were thrilled to welcome Animal Man to our primary school for a truly unforgettable visit! Pupils had the chance to get up close to an amazing range of animals, including cockroaches, snakes, lizards and birds, and there was plenty of excitement (and bravery!) all around.

Animal Man shared fascinating facts about each creature, helping the children learn more about habitats, diets and how animals protect themselves in the wild. Pupils were encouraged to ask questions, handle some of the animals safely, and challenge their own fears in a calm and supportive environment.

The visit sparked lots of curiosity, discussion and wonder, and it was wonderful to see so many children engaged, enthusiastic and respectful towards the animals. For some, it was a huge achievement just to touch or hold an animal for the first time.

A big thank you to Animal Man for providing such an educational and entertaining experience that pupils will remember for a long time.
