Tuesday 23rd June 2026

Red Heat Warning

Dear Parents and Carers,

Following the announcement of a Red Heath Health Alert for our area, we have made the difficult decision to close Hallmoor School on **Wednesday 24th** and **Thursday 25th June 2026**.

A Red warning is the highest level of alert and indicates that there is potential risk to health and wellbeing, with significant impacts expected due to the extreme heat.

The safety and wellbeing of our pupils is always the highest priority. Many of our children are particularly vulnerable to the effects of extreme heat due to their individual needs, and despite implementing a range of measures to keep pupils safe and comfortable, the forecast conditions present a level of risk that we do not feel can be adequately managed on site or during transport.

This decision has not been taken lightly, and we appreciate the inconvenience it may cause families. However, we believe it is the most responsible course of action in light of the exceptional temperatures forecasted.

Remote Learning

Staff will post learning activities on Class Dojo by 9:30am tomorrow and will be available to support you and respond to any questions or queries during the closure. If your child is in receipt of Free School Meals we will be sending a voucher to cover the two days.

We hope to open on Friday as normal to celebrate our 2026 leavers as planned but we will review the situation on Thursday and let you know as soon as possible of any changes.

EHCP appointments or other meetings

Where possible arrangements will be made to have the meeting on-line or via the telephone. Staff will be in touch individually with you to arrange these. Any concerns please contact your child's Phase Lead.

Staff will be available throughout the day and the school email enquiry@hallmoor.fet.ac will be monitored if you have any questions

Kind regards,

Nicky Crookshank

Headteacher

If you need to speak to a member of the safeguarding team, please contact them via the school telephone number or email safeguarding@hallmoor.fet.ac
